

Alex Buchholz is a 4th-year medical student at University of North Dakota School of Medicine and Health Sciences and will start EM residency at Mayo Clinic this summer. Alex grew up in Minot, North Dakota, and received his Bachelor of Arts in Biology and Chemistry from Minot State University (MSU) in 2017. At MSU, he served two terms as President of Student Government, three terms as President of the Honor Society, and helped reestablish the Residence Hall Association. During his time at UND SMHS, he served as Class President, Adopt-A-Premed Program Coordinator, and Program Director of health screenings at Minot's Men's Winter Refuge. He was recently appointed to SAEM's Ethics Committee and Wellness committee. After EM residency, Alex plans to complete a fellowship in Palliative Medicine. His hobbies and interests outside of medicine include tennis, golf, cycling, boxing, running, and anything related to Lord of the Rings, Star Wars, or Marvel comics.
